## **BID #16 Façade Reimbursement Grant Application**

The Uptown Crossing Business Improvement District (BID) #16 has established a Façade Reimbursement Grant to assist commercial property owners and businesses in BID 16 with improvements to their façades, with the goal of improving the aesthetics of the business corridor.

Matching funds are available to business applicants that have already applied for and have been approved for a facade grant from the City of Milwaukee's Commercial Corridor Team. BID 16's reimbursement program provides up to \$5,000 toward the cost of an approved facade grant, not to exceed 50% of the eligible project costs (learn more at [Milwaukee.gov/businessstoolbox](http://Milwaukee.gov/businessstoolbox)).

For instance, if you install a new facade that costs \$10,000, you can receive reimbursement from the city of Milwaukee as well as up to \$5,000 from BID 16. This is a reimbursement grant, which means businesses must front the initial cost and then fill out the application to be reimbursed.

Here are some additional specifics on the BID #16 Façade Grant process:

- Grant awards will only be given to properties that are not delinquent on tax payments to the City.
- Grant awards will only be awarded to projects which have completed a façade grant application with the City of Milwaukee and have been approved for said projects.
- Improvements must not have a negative impact on the aesthetics of the property or surrounding area and must be in compliance with all zoning requirements and City of Milwaukee ordinances.
- Each address in BID 16 is eligible to receive one grant per calendar year.
- Only work begun after approval by the City of Milwaukee is eligible for a grant. Applications must be submitted within one month of approval from the City.
- If the applicant is not the property owner, the property owner must either sign the application or provide a letter to accompany the application granting permission for such improvements.
- Following approval, the applicant has 90 days in which to use the funds allocated. Failure to request reimbursement within 90 days will mean the money allocated will go back into the program for reallocation to another applicant.

The Uptown Crossing BID 16 board reserves the right to end this program and/or to amend the guidelines at any time.

Completed applications should be submitted to:
